

FAMILY TREE

CHILDREN'S ACTIVITY

OBJECTIVE

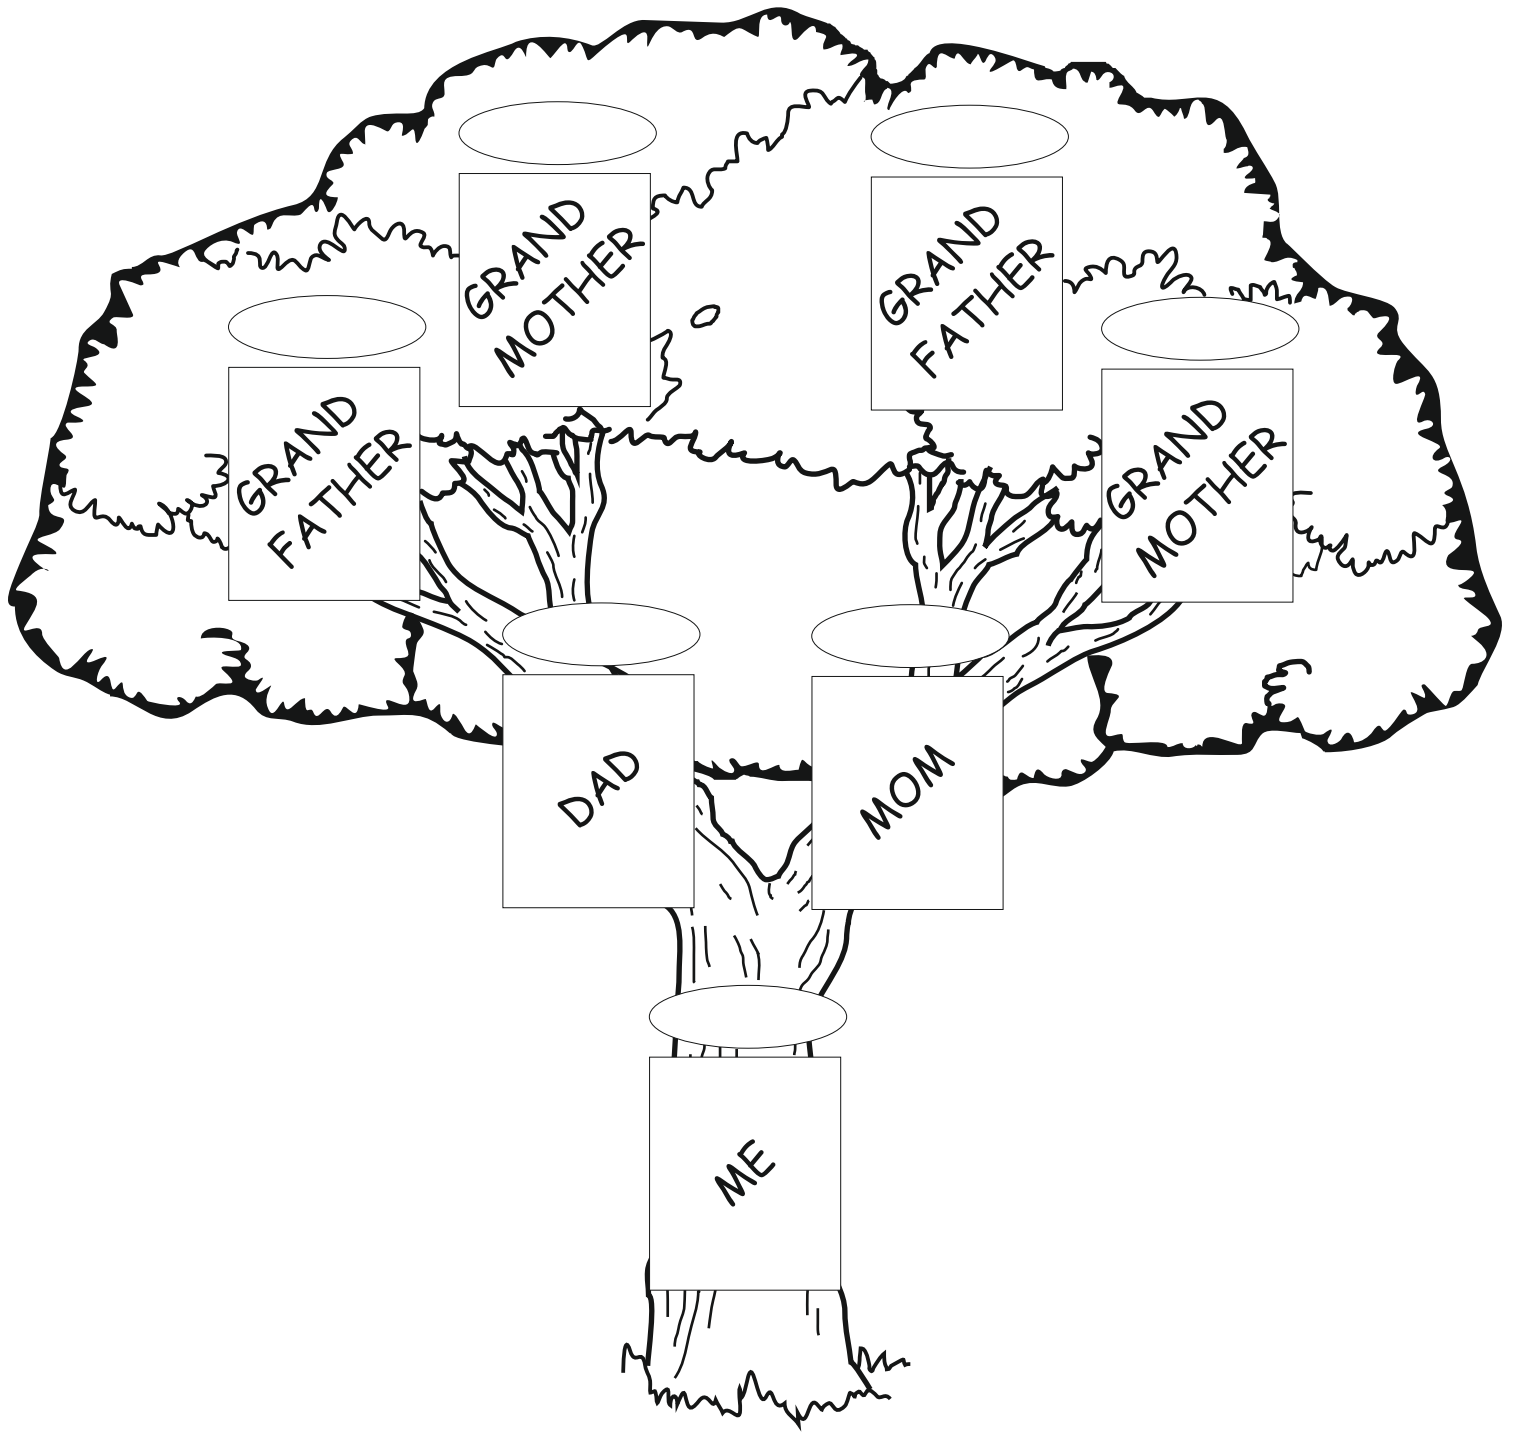

With this family tree craft the child will learn who is each member of the family and the relationship between them. It is highly recommended to accompany the process of elaboration with simple explanations about their parents and grandparents, that child may never have known.

MATERIALS

- Paper sheet "MY FAMILY".
- Markers or colored pencils.
- Glue.
- Photographs of family members (child, brothers, parents and grandparents).
- Scissors (if it is necessary to cut photographs)

INSTRUCTIONS FOR CHILDREN

1. Print the family tree template.
2. Color to your liking the title and the tree, leaving blank the space for the photographs.
3. Write your name, that of your parents and your grandparents.
4. Cut out the tailored pictures from the boxes.
5. Paste the photographs of each person in the corresponding place. If you have siblings you can paste their picture and write their name in the blanks on the sides of the tree.
6. Congratulations! The painting is now ready to frame and hang it in your room.
